ANNOUNCING

ENHANCED INVOICE AUTOMATION AND PAYABLE PROCEDURES

DEAR VALUED CARRIER,

We are pleased to announce the implementation of **Epay Manager Powered by OTR Solutions,** an advanced invoice automation and payments platform.

Once freight is delivered, you'll no longer need to create and email your invoices. Instead, Epay Manager will deliver a pre-filled invoice for your review and provide multiple options to submit your proof of delivery documents. This system eliminates delays normally found in general email inbox management and reduces the time it takes to review and process payment.

BENEFITS

Epay Manager provides the following features and benefits:

Simplified Operations

- Electronic Invoicing
- Detailed Payment Tracking
- Real-Time Updates
- Automated Document Review

Cost & Time Efficiency

- Reduce Processing Time
- Eliminates Inbox Problems
- No Software Required
- Eliminate Calls and Emails

Improved Payments

- Secure Account Storage
- Flexible Payment Options
- Seamless Direct Deposit
- Dynamic Reporting Tools

Registering with Epay is simple, free, and requires no commitment. Once registered, we can begin electronically creating invoices and issuing payments directly to you.
